

Rotorscope – August 23, 2010

The meeting was held at 5 PM at the Starwood Lounge with a very nice attendance. We did the Pledge of Allegiance and Rocky Massaro led us in prayer. Bob McCartt announced we had many visitors who were Linda Cunningham, Judy Bruce, Michelle Perelman, Lois Harvan, Barb Rentz, Linda Mickle, and Sandy Armstrong. Kathy noted that Alice Sankey is having back problems and keep her in our prayers.

Kathy said next week we meet at the regular time for a club assembly. She said that there would be a Park Ave. Planting at the playground area on Mercer and Park Aves. Ty Rice, who spoke to us a week ago, is setting up many activities so that community persons can learn sports, participate in activities, and do a clean up of the area. The big day is September 11, but the two days before will involve other things. Kathy said she will let us know more next week.

Kathy reminded us that the Rotary Picnic is at the Armstrong home on September 19, starting around 4:30 PM, and there were sign up sheets today for that event.

Kathy reminded us that Salute to Courage sponsored by the YMCA would be honoring Fred Rentz on September 16. She said many Rotarians are going and Dale Perelman has tickets.

Kathy reminded the club there would be a budget meeting Tuesday, August 24, 2010 at Carbis Walker at 5 PM.

A wonderful dinner was served and all had a grand time!

Respectfully submitted,
