

Membership Payment Options

Standard Option for both Personal and Corporate Membership – \$345

1. Dues \$145 – this allows The Rotary Club of New Castle to pay our District and International Rotary commitment on each Rotarian (\$128 total). The remaining funds are used for business operations and administrative costs. Our payments to Rotary International include an annual subscription for every member for The Rotarian, the monthly Rotary International Magazine.
2. Lunch Assessment \$200 – these funds are used to “pre-pay” for part of each lunch meeting to defer the cost of food. This is required if you attend meetings regularly. In addition to this prepaid cost, you must pay \$5 for lunch at each meeting you attend. If more than one member from a corporate membership attends the same lunch meeting, one pays \$5 for lunch and the others must pay full cost of \$10.

Dues Only Option for both Personal and Corporate Membership – \$145

This covers only item one from above. If any member chooses this option and wishes to attend lunch, the Rotarian must pay \$10 for his or her meal.

“Snowbird” Option – TBD

Please discuss with treasurer to determine roughly how many meetings you will attend and which payment option will be best.

Guests

- Keynote Speaker plus one guest for the meeting eat lunch for free.
- If a guest is considering becoming a Rotarian, he or she needs to attend three meetings before membership is considered. During these three meetings, the guest eats lunch for free.
- Any guest who attends to hear the speaker or joins a spouse or friend for lunch (with no intention of becoming a member) pays \$10 for lunch.

Every Rotarian Every Year

As a Rotarian, you are asked to support The Rotary Foundation each fiscal year (July-June) in addition to your dues. For our club to be considered for District Grants and Awards, the request is an average of \$100 per Rotarian each year. If this amount is cumbersome, we ask that you make a minimum one-time donation of \$25. This contribution can be added to your dues statement, paid online at <https://my.rotary.org/en/donate> (you must create an account and link to our club), or given by check to Barb Bernardi, Foundation Chair.

If you have any questions regarding payment options, please see Treasurer Rocky Massaro.
